

Stars By Krystal Gazer

SAGITTARIUS
November 23 - December 21
Hold-ups in the middle of the month affects those around you. Missing you, just! Take rests during the festive period thus avoiding unnecessary stress.

CAPRICORN
December 22 - January 20
You are quieter than usual, but you will soon pick up. Take the chance of a rest, you will need it. Your mental prowess will astound your friends and employers.

AQUARIUS
January 21 - February 19
Don't let financial pressures get to you. Keep to your plans, no matter what. A very happy time ahead puts all your problems in the shade. Be willing to participate in whatever you are asked.

PISCES
February 20 - March 20
A quieter period than it has been of late. Give thought to family and friends at this time. After the new year you can turn up the rate of work and really steam ahead.

ARIES
March 21 - April 20
Keep your opinions to yourself. The end of the month is the best time to organise practical matters and for making them swing along. The festive season brings only joy!

TAURUS
April 21 - May 21
Slow down as the end of the year approaches and enjoy a much deserved break. Negative vibes before Christmas should be ignored. Try positive actions instead.

GEMINI
May 22 - June 21
Little incentive just now, but you make up for it in personal choice. It is not easy to get your own way, so don't try as you will only upset folk and yourself.

CANCER
June 22 - July 22
You have loads of time in which you can do what you want at the pace you set. You are in top form as the year draws to a close. A bright period lies ahead. Lucky you!

LEO
July 23 - August 23
Your nature is very appealing and you are attracted to all you meet. A bit of controversy knocks you of your stride, but this is just a storm in a tea cup.

VIRGO
August 24 - September 23
Your extra efforts of late make this the best ever Christmas for you. An excellent time for making those resolutions, but you must be sincere and determined to carry them out.

LIBRA
September 24 - October 23
You live life to the full and feel that you are on cloud nine. A bit of uncertainty proves to be unfounded. Try to make up with those you know you should.

SCORPIO
October 24 - November 22
Problems at home or work tend to tire you out. Make sure that your resolutions are practicable and workable. Keep your cool as the temperature at home rises.
